### **VERSE 1**

**With the help of farmers  
When they start their planting  
Then the crops start growing  
Takes time when harvesting  
As in preparing  
With little wa-sting  
No Kid Goes Hungry in our state!**

### **VERSE 3**

**We met a superintendent  
Who could not stand it  
'Cause kids were hungry  
In his own county  
Now he's their hero  
His-schools-serve “Grab 'n Go”  
No Kid Goes Hungry in our state!**

### **VERSE 5**

**When the lunch bell's ringin'  
We start to singin'  
We serve them good food  
Putting them in good moods  
We make a difference  
Helping out par-ents  
No Kid Goes Hungry in our state!**

### **VERSE 7**

**Ban the Hunger Monster!  
Boost our kid's brain power!  
Fill up their bellies  
With fruits and veggies  
It's our job to look out  
Spread the word what it's a-bout  
No Kid Goes Hungry in our state!**

### **REFRAIN**

**Use your voices  
Make your choices  
From the Blue Ridge Parkway  
To the Kitty Hawk skyway  
We can make a difference  
For the hungry child-ren  
No Kid Goes Hungry in our state!**

### **VERSE 2**

**Buses arriving  
All the kids are striving  
For a healthy breakfast  
That will leave them thriving  
Thrilled about a school lunch  
Let's feed the whole bunch  
No Kid Goes Hungry in our state!**

### **VERSE 4**

**Grab a parfait  
It's not the hard way  
Or a chicken biscuit  
We-won't-let-you miss it  
A-bacon-cheese frittata  
No-one-ever-gets na—da  
No Kid Goes Hungry in our state!**

### **VERSE 6**

**With better access  
With education  
We'll make them stronger  
For gen-er-ations  
For health and wholeness  
With joy and pow-er  
No Kid Goes Hungry in our state!**

### **VERSE 8**

**You can use your voice now  
You can be the light house!  
This is your challenge  
To get the word out  
Ready to step up  
You can make a di-fference  
No Kid Goes Hungry in our state**
