Finger Print Blueberry Basket Instructions

Materials:
- Construction paper
- Blue paint
- 8 popsicle sticks

Instructions:
1. Have each student dip their finger in blue paint and print on the paper, leaving finger prints in a relatively rectangular shape.
2. After the finger prints have dried, glue four popsicle sticks vertically on top of the finger prints.
3. Glue the other four popsicle sticks horizontally across the already glued popsicle sticks so that it looks like a basket of blueberries!
