Pass the Corn Instructions

A fun and active game to celebrate National Corn on the Cob Day!

Materials:
- All you need is an ear of corn!

Instructions:
1. Divide the students up into two equal teams (you can do more teams if you have an extremely large number of students).
2. Line each team up and set a piece of corn in front of the first people in each line.
3. The students must pass the corn to every person in line WITHOUT using their hands!
4. If a student touches the corn with their hands or drops it, the ear of corn must start over at the front of the line.
5. The first team that gets the corn through the whole line and to the last person wins!
