Pin the Seed on the Watermelon

Like Pin the Tail on the Donkey!

Materials:
- Pink cardstock
- Green cardstock
- Black buttons (or black pompoms)
- An empty wall
- Glue
- Tape

Instructions:
1. Cut the pink cardstock into a semi-circle.
2. Cut the green cardstock into a slightly larger semi-circle.
3. Glue the pink cardstock on top of the green one, aligning the two upper edges and leaving an equal amount of green space on both sides.
4. Tape the watermelon to an open wall.
5. Blind fold the child whose turn it is and spin them once or twice. Leave them facing the circle on the wall with the blind fold on.
6. Put tape or glue on the back of a black button right before handing it to the child.
7. Have the child try to put the button on the pink part of the watermelon to “pin the seed on the watermelon.”
