Watermelon Paper Fan Instructions

Materials:

- White paper plate
- Large popsicle stick (or large craft stick)
- Green marker
- Pink or red marker
- Black marker
- Tape (masking tape or duct tape works well)
- Staples—for the last step

Note: could use paint instead of markers

Instructions:

1. Flip the paper plate over so it is upside down.
2. Color (or paint) the center of the plate pink or red.
3. Color (or paint) the rim of the plate green.
4. Use the black marker (or paint) to create the seeds of the watermelon.
5. Fold the paper plate in half.
6. Open the plate and use the tape to attach the popsicle stick for the handle of the fan.
7. Adults (or older kids) use stapler to seal the edges of the plate.
